Forecast For East of England
Issued by Met Office Exeter
at 0400 on Sunday 14 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A drab morning, brighter later.

Today:
Remaining generally cloudy this morning with limited brightness. Low cloud and patchy drizzle will gradually fade toward midday, with brighter spells and sunny intervals developing in the afternoon. A chance of the odd lingering shower. Light winds. Maximum temperature 13 deg C (55 deg F).

Tonight:
Patchy cloud and some lingering clear spells this evening. Areas of mist and fog developing overnight, with cloudier conditions remaining over East Anglia. Cool. Minimum temperature 6 deg C (43 deg F).

Monday:
Another drab morning with areas of dense fog which will be slow to clear. Cloud lingering across East Anglia. Turning a little brighter during the afternoon with sunny intervals. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
A cloudy day Tuesday with outbreaks of light rain. Early fog Wednesday, becoming drier with sunny intervals but cooler. Cloudy with outbreaks of drizzle Thursday. Winds remaining mostly light.
